

## **Important Notice About Your New Dental Plan with MetLife**

As part of our new dental plan administered by MetLife, physical ID cards are not required. When visiting your dental provider, simply provide your Social Security number, and they will be able to access your file.

For those who prefer to carry an ID card, a mock paper card has been included in your welcome package. You may cut it out and keep it in your wallet for convenience, though it is not necessary.

Please note: This applies to all active and retired members.

If you have any questions or concerns, feel free to contact our office for assistance.

Thank you!
